

SUMMER DANCE WORKSHOP & EVENING CLASSES

DanceWorks will again be offering a summer dance workshop program for children ages 6 thru 12. The workshop will run Monday thru Friday from 9:00 in the morning until 3:00 in the afternoon. The children will be divided into groups according to age and ability levels. Classes will be given in Ballet, Tap, and Jazz, *plus* Musical Theatre. On Friday afternoon there will be a small performance in the studio that relatives and friends may attend free of charge. This will give the students an opportunity to showcase what they have learned while putting together their own show during the week. The workshop will be held the week of July 20-24. Class size will be limited and registration will be on a first come first serve basis. The cost of the workshop is \$295.00 per student for the week plus a non-refundable \$25.00 registration fee. A minimum of 10 students must be registered for the week for the session to be held.

Evening classes for students age 10 thru adult will be offered in Tap, Lyrical, Hip Hop (2 levels) and Jazz. We will also be adding Modern for the summer and the fall. Since people go on vacation during the summer and may not be able to attend one type of class for five weeks, you may mix and match your classes by using a dance card. A card is good for five classes and each time you come to a class, the card is punched. The summer classes will run from June 22nd thru July 29th and will be from 6:30-8:30pm Monday, Tuesday and Wednesday. The week of June 29th thru July 4th the studio will be closed for the holiday. The cost of the dance card is \$75.00 plus a one time, non-refundable registration fee of \$25.00. If you finish one dance card, another one can be purchased at a later time. A schedule of classes will be posted in the waiting room and on the website.

To add something new this summer, we are proud to offer ZUMBA dance for ages 13 thru Adult. This is a Latin style dance/fitness class that is fun for everyone. The class will be held on Thursdays from 6:30-7:30pm beginning May 28th through July 23rd and will be run separate from the other evening classes. The cost for the 8 week session will be \$70.00 including registration. A minimum of 6 is needed for the class to be held. (No class week of June 29-July 4)
